A Message from a Grateful Student

Thank you for supporting scholarships at the University of Georgia! Your generosity truly makes a difference.

I cannot express enough how this scholarship has changed my life in ways I never imagined. It has allowed me to focus entirely on my education and goals without the burden of financial strain. Without this support, attending the University of Georgia would not have been possible, and I wouldn't have had the chance to experience the exceptional education and community UGA provides. Being part of the UGA family has solidified my belief in the selection of my major and each class I have taken through my specific college has only strengthened that belief. Some courses are more difficult than others and anytime I find myself struggling, I find myself grateful to experience that feeling. The classes have not only taught material but have also taught me the characteristics I have as a student. Living in a college town has opened countless opportunities to connect with new people and immerse myself in campus life. None of this would have been possible without your generosity, and I am grateful every day for the opportunities this scholarship has given me. Thank you for making this possible!
